This Complaint Index Report is for Lincoln Heritage Life Ins Co and is based on the criteria you selected. Only closed, confirmed complaints provided by state insurance departments are used in this report.

Company's Share of Complaints U.S. Market Format	0.016567%
Company's Total Complaints	8
Company's Share of Premiums U.S. Market	0.022934%
Company's Annual Premium	$713,708,138

Company Complaint Index

The Complaint Index is used to compare a company's performance to other companies in the market. The National Complaint Index is always 1.00. This means a company with a complaint index of 2.00 has a complaint index that is twice as high as expected in the market.

Index Color
- ■ Below

The Company Complaint Index is determined by dividing the Company's share of complaints in the U.S. market by the Company's share of premiums in the U.S. market.

Report reflects data reported from the state insurance department to the NAIC as of December 13, 2025
